

DR. TL HOLMES
ANEXUS MEDIA GROUP
(An Anexus Media Enterprises, Incorporated Company)
Putting You Next in Line

Dr. TL Holmes is a nationally respected digital marketing strategist, author, marketing software developer, and social media expert. With over twenty years of professional experience, Dr. Holmes brings a rare passion for empowering individuals and businesses to reach their full potential. As the founder of Anexus Media Group, an Anexus Media Enterprises Incorporated Company, Dr. Holmes is dedicated to helping small businesses, corporations, and website developers scale their companies and digital assets with user-friendly, cloud-based software products.

One of Dr. Holmes's notable achievements is the development of AnexusADA, an ADA Compliance & DEI software that is revolutionizing the business world. This cutting-edge software ensures that websites are compliant with government regulations as well as giving businesses a competitive advantage to meet DEI demands. Anexus Media Group is also poised to launch a membership site offering other SEO (Search Engine Optimization) cloud-based software, e-books, and video tutorials, empowering business owners everywhere to excel in the digital space.

Driven by his passion for turning visions into reality, Dr. Holmes finds fulfillment in helping others achieve their goals, sharing his experience, and providing inspiration as a motivational speaker. With a life mission to positively impact people worldwide, his work at Anexus Media Group is rooted in his personal journey. Having experienced foster care and borderline homelessness in his early years, Dr. Holmes attributes his success to the guidance and support he received from mentors who provided him with the necessary tools to thrive. Now, as a sought-after speaker, panelist, and author, Dr. TL Holmes draws upon his own life experiences to guide business owners and leaders in scaling their companies.

For Dr. Holmes, Anexus Media Group represents an opportunity to make a significant difference in the lives of others. By providing leverage and support to individuals as they pursue their goals and dreams, he aims to create positive change in the world.

With a warm and informative approach, Dr. TL Holmes brings his expertise and genuine commitment to every endeavor. Through Anexus Media Group, he continues to inspire and empower individuals and businesses, leaving a lasting impact in the digital marketing landscape.

“**Anexus Media Group** has an opportunity to change a lot of lives...and I’m glad to be the voice of that *change*,” he concluded. “To give people leverage, as they aspire to fulfill their goals and dreams, and to really make a positive difference in the world.”
